COMMUNITY

*W*elcome,

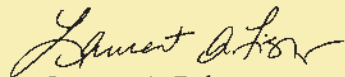

On behalf of the Cape Cod Community College Educational Foundation, we would like to welcome you to the 2011 Evening of Excellence. This inspiring annual event celebrates our students' academic excellence and personal accomplishments. It also represents the investment of many generous individuals, businesses, civic organizations, and other foundations in the mission of Cape Cod Community College.

This year, our community lost a very special man, Frank Wilkens. Frank and his wife Maureen have been extraordinary benefactors of our College and our Cape Cod community. Frank was a self-made man who knew the value of hard work and education. Together, the Wilkens' philanthropic mission has been to support job training and education, to help people reach their full potential, and to better support themselves and their families. Frank and Maureen's gifts have enabled many to have a chance at life, a career, a fresh start, and an education. Ten of the scholarships awarded tonight bear their name, as does our college library. We will miss Frank, and we will join Maureen in preserving and extending their legacy.

Tonight, the Foundation will award over \$225,000 in scholarships to incoming, continuing, and graduating students. We are so proud of all of tonight's recipients, and we are honored to be able to recognize each of you. We wish you continued success. We hope that you will continue to challenge yourself, and to work to inspire those around you. As we are fond of saying at 4Cs—Start here, and you can take your life anywhere.
